Yummy Giveaway & Great FYI

I had the chance to try [Somebody's Mother's](#) sauces last week and OH MY GOODNESS! YUM! It's honestly the best chocolate sauce I've ever had (sorry Clair!). I love everything about the company, the packaging is cute and funny (sayings from "mothers" on the lids), it has no preservatives, and is just plain delicious!

We're giving away a jar of Somebody's Mother's White Chocolate w/ William Pear Sauce to one lucky reader!

To Enter:

Go to [their website](#) and check out their "lidlits" (sayings on the lids of the jars). Leave a comment here with your favorite quote or even a favorite quote from YOUR mother. We'll draw a random winner on 4/9/09. YUM!
