### **Somebody's Mother's Chocolate Sauce**

From the kitchen of Houston, Texas native Lynn Lasher comes **Somebody's Mother's Chocolate Sauce**, a flavor that is at once milk and dark chocolate. With stylish and irreverent packaging, the product is almost as tempting from outside the jar as it is inside. In keeping with the sauce's "mom" branding theme, each jar features a lid sticker inscribed with one of seven quotes from famous mothers or mothers of famous people. Contains no additives or preservatives. For more information, visit [www.somebodysmothers.com](http://www.somebodysmothers.com).
