## **Sweet Words**

Ice cream, pound cake, graham crackers and other treats are delicious with a generous smear of Somebody's Mother's Chocolate Sauce. Lynn Lasher of Houston is the mom behind the brand. It has no preservatives but it does come with a dash of literature. Some of the lids have quotes from Zora Neale Hurston, Pablo Picasso and Jacqueline Kennedy Onassis. About \$9 at [somebodysmothers.com](http://somebodysmothers.com).
