Company is looking for your best 'mom' quote

Forrest Gump's mom always said that "life is like a box of chocolates." Does your mother have a similar refrain?

If your mom has said something funny, sassy, witty or wise, it could be featured on the lid of Somebody's Mother's Chocolate Sauce.

The Houston-based company features sayings from or about moms on the lids of its jars of chocolate sauce. To submit one, go to www.somebodysmothers.com and click on "Lidlit."

Winners will receive a dozen jars of the chocolate topping.

Share Mom's quotes with us on our blog, <http://blogs.kansas.com/wichitalk/>.
